Dear Chairs:

As of 30 September 2020, the following members and liaisons of the Customer Standing Committee (CSC) will complete their term:

Brett Carr (Vice-Chair)
Appointing Organization: ccNSO
Term: 2018 – 2020

Gaurav Vedi
Appointing Organization: RySG
Term: 2018 - 2020

Lars-Johan Liman (Chair)
Appointing Organization: RSSAC
Term: 2018 – 2020

Nigel Cassimire
Appointing Organization: GAC
Mid-Term appointment: 2019 – 2020

In addition, both the Address Supporting Organization (ASO) and Security Stability Advisory Committee (SSAC) are each eligible to appoint a liaison, as they have refrained from appointing one in 2018 and/or 2019.

We kindly ask that you initiate your respective organization's processes to appoint members and liaisons to these seats. While members are required, liaison appointments are optional (albeit strongly encouraged). To ensure that the appointment process is completed in time for the start of the next CSC term, we kindly ask that you notify us of your appointments by Friday, 31 July 2020, 23:59 UTC at csc-eoi@icann.org. If your organization does not wish to appoint a liaison to the CSC, please inform us of this decision by the same deadline date. For your reference and visibility, we are attaching key dates for each step in the overall appointment process.

If your organization will make an appointment, please consult the CSC Candidate Qualification Requirements, and the Expression of Interest form. Please review the Expression of Interest form to customize the four sections in red where you will list your organization's name; whether you are electing a member or a liaison; and the due date for submissions. Also, the Expression of Interest form now has a new required privacy statement and link which must be completed by all candidates.

Participation in the CSC is voluntary. The CSC is expected to perform the majority of its work telephonically and via email.

If you have questions or need additional information please do not hesitate to contact me at csc-eoi@icann.org.

Regards,

Amy Creamer
Project Manager
